How to Ride a Bus

Check schedule for timepoint nearest your location. Arrive 10 minutes before scheduled time. Have exact fare ready (drivers do not make change).

- Not all stops are listed on a public timetable.
- Be mindful of changes in the schedule for holidays or bad weather.
- No eating, drinking, or smoking
- Electronic decives may be played with earphones set at *low levels*

How to Read a Timetable

1. Find the schedule for the day of the week and the direction of travel.
2. Find the timepoints closest to your origin and destination.
3. Read down to see the times when a trip will be at the given time point. Read across to see when the trip reaches other timepoints.
4. Your nearest bus stop may be between listed timepoints.
